OVERVIEW

Sierra Telephone Company, Inc. (Sierra Telephone) is a state-certified Eligible Telecommunications Carrier (ETC) that provides Universal Service supported services to approximately [REDACTED] service locations served by five wire centers in three exchanges. Sierra Telephone covers approximately 775 square miles in the Sierra Nevada foothills of California near Yosemite National Park. Sierra Telephone's service territory includes many recreational areas with lakes, rivers, a mixture of valley floors, rugged canyons, and rocky terrain in a very high fire danger area that includes the towns of Oakhurst and Mariposa and numerous smaller communities. Sierra Telephone's area also includes Tribal land.

Consistent with Commission requirements, this Five Year Service Quality Improvement Plan addresses only Sierra Telephone's regulated eligible telecommunications carrier operations. [REDACTED]

Line 920: Tribal Land Offerings for 54.313(a)(9)(i-v) for Picayune Rancheria of Chukchansi Indians of California (Chukchansi)

Chukchansi Tribal Lands are located in many areas of Sierra Telephone's service territory. These areas have always been served in conjunction with telecommunications and broadband service provided to all of Sierra Telephone's customers.

Approximately 10 years ago, the Chukchansi Tribe established a large resort casino, the Chukchansi Gold Resort and Casino, in Coarsegold, California. Sierra Telephone worked closely with Chukchansi representatives to engineer, build, and provide the telecommunications and broadband services needed to support this large project. Sierra Telephone and its affiliates continue to work to assess, anticipate, and deploy services for the Chukchansi Gold Resort and Casino, Tribal businesses, Tribal agencies, and Tribal residential locations.

During this reporting period (January 1, 2013 – December 31, 2013) business contacts were made and planning discussions were held with Chukchansi Tribal Government leaders and representatives by Sierra Telephone's staff and decision-makers. Meetings and discussions were challenging due to legal disputes among factions of the Tribe related to Tribal Government authority.
